Subject: Regarding feedback

Dear Sudhakar/Prakash,

I hope you are doing well.

I have worked in Olam OFIS and FDP project from 23/08/2014 to 11/01/2019. I request you to give me the feedback of my work so that I can convey the same to my manager for the appraisal.

I have worked hard to meet client requirements and your expectations. So please provide me the feedback for the same so that it will be helpful for my future ahead.

I am grateful for all your support and guidance which I received while working there in Chennai.

Thank you.

Regards,
Aditya Khare
